

Village board hears senior citizens

MOKENA — There has been a lot of talk about the generation gap and it is possible a bridge may be found in Mokena.

At the recent meeting of the Senior Citizens board, Milton Geuther, Richard hardt and Paul Rauch appeared as representatives of the Senior Citizens club, whose members are 55 years and over. The club has approximately 50 members now. They expressed interest in use of the floor above the library to hold their meetings and social hours.

This floor is now used by the Mokena Youth Center to house the Zodiac Club which meets there regularly.

Trustee Robert Teske said he thought something could be worked out to share the use of the room. He suggested setting up a meeting with the Youth Group and

discuss the possibility of sharing the facilities.

David Downs, a member of the Youth Commission, said he didn't foresee any conflict in the use of the building. However, he did not believe the lighting was sufficient for older people.

It was estimated there were approximately 300 persons over 55 in the village that might be interested in joining the senior group. The club representatives at the village meeting said they planned to meet with the park board to discuss the possibility of that body providing the tables and chairs that will be needed by the Senior Citizens for their meetings.

Real estate valuations available to Frankfort township residents

JOLIET — Assessed valuations of real estate located in Frankfort Township has been published. Copies of the assessment were to be mailed to every person residing in the township. Persons who failed to receive a copy may obtain one at the printing office of Farmers Weekly Review at 458 N. Chicago St.

Joliet and Lockport books are still incomplete, with no date given for their publication.

After publication property owners have 10 days in which to file a complaint, relative to the assessment, with the board of review.

In the Frankfort Township lists, the first figure covers improvements, and "improvements" means the buildings that are on the land. The total value, which is the second figure, includes the price of the lot or land. Thus, if the first figure is \$8,000 and the second figure is \$10,000, it is to be translated that the house or structure on the property is assessed at \$8,000 and the lot is assessed at \$2,000.

Real estate assessments are supposed to represent about 55 per cent of the total, fair market value of the property, it was said.

Since the valuation lists have been published for other districts, especially in Crete, there have been many complaints filed with the board of review, contending the assessments are too high.

The board of review has authority to raise or lower the assessed valuation. When the board of review finishes hearing complaints, the books with the valuations go to the office of County Clerk Clara Hartley Woodard.

The first thing done by Deputy Clerk Martin Gregorich, who is in charge of extending taxes (that is when the tax rates are set, based on the levies filed last year by the various taxing bodies) is to send the valuation figures to the state revenue department at Springfield. That body then decides the factor or multiplier to be assigned to the county.

Everyone who has anything to do with taxes hopes the factor or multiplier will be one. If the multiplier is one then the assessed valuation becomes the total or equalized valuation. If the factor is more than one then whatever the figure may be is used to multiply the assessed valuation to get the equalized total.

The supervisor of assessments for Will County, Oren Pomeroy Jr., also sends a report to Springfield, giving the assessed valuation total according to his books.

When the tax bills will be out is a question taxing bodies would like to know. According to observers it is not likely the bills will be out until late summer or early fall.

They point out that should the county

clerk's office get the books in June it will be sometime in July before the rates are all established. It takes about six weeks to extend the taxes. Then the bills have to be prepared. It has been estimated that it would be approximately

a month before bills were in the hands of the taxpayers. The county board will have to extend the deadlines for tax payments, it was pointed out.

Under normal circumstances all of the personal property tax and the first in-

stallment of the real estate tax must be paid by June 1, to avoid penalty. The second installment of the real estate tax is due Sept. 1.

No one in authority knows now when the tax deadlines will be this year.

Villages to request school sites

NEW LENOX — Several months ago Superintendent Joe Kruzich, of Lincoln-Way High School, called a meeting of mayors, planning commission chairman, school board presidents and superintendents of the different elementary schools underlying Lincoln-Way High School.

The meeting was called because of an immediate problem of large land developers or subdividers coming into the district and developing the land for homes which would cause a financial hardship to the different school systems in regard to the number of students that these developments would produce.

From the meeting, the different elected officials charged the superintendents of the high school and elementary schools with the responsibility of investigating the different avenues of financial help from the land developers or subdividers.

The New Lenox Elementary School District had hired the Illinois School Consulting firm to help them work with the Leavitt and Sons land developers who were pursuing the possibility of annexing to the Village of New Lenox.

The draft that was presented followed the Naperville Ordinance that school sites or money in lieu of school sites be given

school districts to alleviate the student population problem that big home developments produce.

One of the most important aspects of the Naperville Ordinance is the breakdown of the percentage of students that the different types of buildings will produce. This breakdown was a result of a research project covering many of these types of subdivisions in the western suburbs of Chicago. The same ordinance has been presented to Mokena, Frankfort and New Lenox.

All of the school boards, by resolution, have passed criteria for school sites and have charged their superintendents with the responsibility of appearing before the various planning commission and village councils of the four villages in the Lincoln-Way District.

To date, presentations have been made to all planning commissions and three of the four village councils. The presentations have been well received because the school districts' problems are a problem to all of the people of the district and they recognize the financial difficulties the schools will be confronted with. They also recognize that these subdividers are asking for cer-

tain types of services and that these services can only be financed by the present tax monies. There is a time lag from the time of occupancy until the first tax monies are realized from such subdivisions. This can be as long and one and half years. In the meantime, the different taxing bodies must provide services to these people.

The different village councils as well as the school boards realize that this ordinance as well as other ordinances can be contested in court. The Naperville ordinance has never been contested but there are rumors to the extent that some home developers are going to test it in the courts.

State Senator Harris Fawell has two bills pending in the legislature pertaining to the Naperville Ordinance and if he can receive some help from the other senators as well as the House of Representatives, this legislation could become law.

The boards of education of the Lincoln-Way area do not feel they can wait until the legislators pass Senator Fawell's bills. This area is being saturated by land developers and subdividers and schools need some immediate results, Kruzich said.

Township funds remain in black

NEW LENOX — No levies will be made this year for the Town General Assistance fund or the Town Fund, it was announced by Supervisor John E. Frankis at the annual New Lenox town meeting. The meeting was conducted at 2 p.m., April 11, in the Lions Den on S. Cedar Road.

No levies were made for these two funds last year either, there having been sufficient revenue accruing through fees paid for collecting taxes by Town Collector Alfred Emiley. However, the courts have ruled that town collectors may no longer collect fees for collecting taxes so there will be no further revenue from this source.

The last collection from this source was approximately \$22,269. This went into the town fund from which compensa-

tion for town officers and other town expenses are met.

Expenditures from the town fund last year were \$41,113.11, which leaves a balance there of \$43,707.82. The town fund collected \$3,119.82 in interest the past year on its monies.

The general assistance fund by law is required to levy one mill per assessed valuation. The assessed valuation of the township is \$40-million. This would require a \$40,000 balance. There is a balance of \$54,000 in this fund. Paid out last year was \$4,971.84, which was partially covered by the interest on the fund, \$1,937.50.

The Construction Road and Bridge fund has a balance of \$36,140, it was reported. The interest on this fund came to \$1,405. This fund is earmarked for construction of

the Vine Street bridge over Hickory Creek.

Highway Commissioner Otto Bormet told the village board at its last meeting that he is ready to construct this bridge as soon as the village obtains the right of way. The county also is sharing in the cost of the bridge.

The Township Highway Fund totaled \$99,836.33 last year and expenditures amounted to \$98,709.69, leaving a balance of \$1,126.64. Approval was given to the purchase of five acres of the old Willard Halka farm, off S. Cedar Road, south of the Elgin, Joliet & Eastern Railway tracks, now occupied by the garage and other buildings used by the highway department.

The property is costing the township \$22,500, or \$4,500 an acre.

Mokena voter

Mrs. Joyce Sala emerges from voting booth in the Mokena library after marking a ballot for library trustees.

Voters show interest in library elections

The library elections last Tuesday in the Frankfort and Mokena public library districts attracted considerable attention for that type of election.

A total of 242 votes were cast at Mokena and 96 at Frankfort, which are larger totals than cast at previous library elections. In each district the libraries served as polling place and the polls were open from noon to 6:30 p.m.

At Mokena there was a battle for the two full six-year terms. There were four candidates and at the end Sheila Wellman Shunko nosed out Edward Fremel Jr. for second place by one vote, 107 - 106.

Fremel has been serving on the library board for the past four months by appointment. Mrs. Shunko has been the librarian at Willowcrest School for the past six years. In the number one spot in the final count was James Burroughs, who polled 131 votes.

The contest for the unexpired term of four years, in which Barbara Cottingham was serving through appointment, was won by her with 35 votes to spare. She was opposed by Ralph C. Wiley, who polled 100 votes. Mrs. Cottingham's total was 135.

In the Frankfort library district there was one contest, for the full six-year term. There were three candidates for the two places to be filled for the full terms.

Sandra J. Biel and Ralph A. Eisenbrandt were the winners. Mrs. Biel received 65 votes, Eisenbrandt, 56, and Patricia Brown, the incumbent in the race, polled 40 votes. All three are Frankfort residents.

Joyce A. Bluth, Lincoln Estates, was elected to the unexpired term of four years. She received 87 votes and there one was write-in vote for Gene Ellis.

Charles J. Shields, Frankfort, was elected to an unexpired term of two years. He polled 89 votes.

Mokena multiple units

Board approves Hillcrest pre-annexation plan

MOKENA — The pre-annexation agreement with Hilltop Builders has been ratified by the Mokena village board, including a portion of the property from R-1 to R-4 (multiple housing), which covers an additional 25 lots in the area for condominiums and single family residences.

The Hillcrest people are planning the development of 50 acres in the vicinity of 195th Street and 115th Avenue.

The developers will install a sewer main to the treatment plant which will connect with the sewers in the development. A motion was carried to reserve space in the sewage treatment plant for this intercepter. The streets on which the main runs are to be annexed.

Hillcrest is planning an extra room in the deluxe apartments which will be classified as a third bedroom, the board decided. Village Attorney George E. Sangmeister said if the room contained a closet it would be considered a third bedroom. Hillcrest is planning to build 97 single-

family dwellings and 244 quadrominiums.

A pre-annexation agreement with the William Webers hit a snag when the Village Zoning Board of Appeals at its April 5 meeting denied the re-zoning of the property from R-1 to R-4.

The Plan Commission had earlier given its approval. Village Trustee Chester Ebert said he thought there was a lack of communication between the Plan Commission, the Zoning Board of Appeals and other boards in the village.

The trustees decided to defer action until a conference can be held with the Plan Commission and the Zoning Board and that a decision would be made at the next meeting. The three bodies were to have a meeting Tuesday of this week.

The zoning board had indicated it would approve the re-zoning if certain conditions were met. The majority of the points would be no problem, it was agreed but the stumbling block is that the zoning board wants the Webers to use at least

half of the 50 acres west of Schoolhouse Road for single-family dwellings. The Webers want to put in a multiple family complex there.

Martin Thompson appeared at the village board meeting, stating that he represented 15 families living in the vicinity of Revere Road, and said that they were opposed to the building of apartments.

"You don't get the type of people in an apartment building that are going to be concerned with the area or the upkeep of their apartments. . . . I think most of us are aware of what has been going on in Chicago. When the apartment is vacant and if someone can come up with the money he gets it. Our school system with all of the apartments is going to be completely overrun."

Mayor Will Tuttle said that is apartments are going to flood the schools then the school systems are off in their calculations. The Webers have 40 acres east of Schoolhouse Road which they wished

to develop too but the Plan Commission has that marked for industrial use.

"Our decision not to have single family residences," Weber told the trustees, "was when we discussed the east section of the property. It is on the land use map for industrial purposes. We felt after talking to other people in the area there should be a buffer between the industrial and residential areas."

"To build any type of quality home we would have great difficulty in selling them across the street from land that is designated for industry."

He said that as soon as they know what they are going to do they will sit down with school authorities and work out an arrangement that will be satisfactory as far as financial aid is concerned.

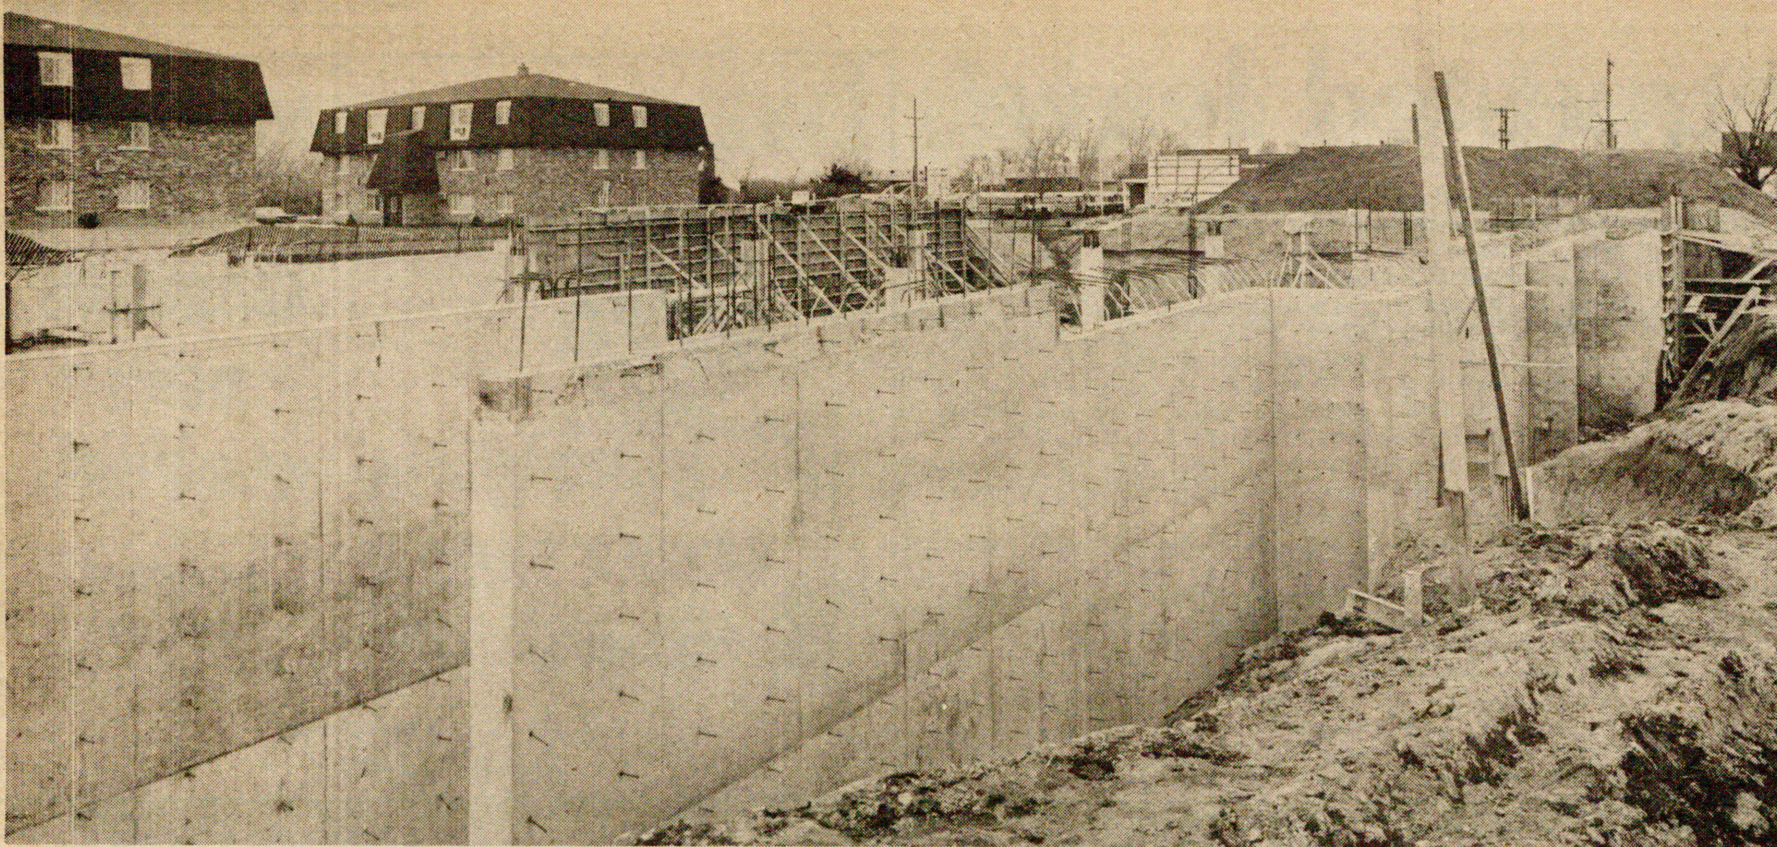

"Mokena is going to grow," Weber said, "We have lived here 30 years. We are not developers. We are not builders. We are not a big organization. All we are contemplating is gradually building pro-

gram. When we build a building we rent it. This will be a slow, orderly growth for the village. If we have to go to the situation of single family dwellings, we, as individuals, are not in that ballgame at all."

Trustee Robert Teske, building commissioner, reported issuing a building permit to Weber for a four-unit apartment behind the Demus Clinic, on Revere Street.

Mr. and Mrs. David I. Kaminsky, Sr., with their attorney, Richard Hutchinson, appeared to protest the removal of all R-5 zoning in the village, reverting it to R-1. They have a lot 73.65 feet by 99.15 feet, it was said. An R-4 takes 2,500 square feet of lot area for one dwelling unit, it was explained. R-3 is 3,500 square feet of lot area-two family. The Kaminsky's have a single-family dwelling on the lot, it was said.

The case was sent back to the zoning board.

Library grows

Foundation walls of the new Tinley Park Public Library, 71st Ave. and 171st Street, are now visible. Library board members estimate that the building will be occupied in the early months of 1973.

Television 'sees' all in sewer

MOKENA — The job of inspecting 3,400 feet of sewer line along Third Street through the field to the north to Bryant Street and all of Union Avenue by television is completed, it was reported at the recent meeting of the Mokena Village Board. To be finished was Revere Street and a 400-foot section in the field.

As of last week, according to John Kaulnitskas, superintendent of the Video Pipe Grouting CO., which has the contract for the job, there are some 300 joints in the tile that could stand serving by chemical grouting.

The superintendent said that after televising the line has been completed a formal report will be presented to the board, along with the exact price. The cost of grouting 50 joints is \$1,500, according to the contract. To do the additional joints, it was said, the cost would drop to \$28 a joint and the cost would be even less on a consecutive joint basis.

The engineer will have to determine what joints to grout," Supt. Kulbitskas said. "There are numerous cracked pipe and broken tile.

There are a lot of tree and shrub roots in the system. Some of the water is from improper house connections. The only remedy for a break in the connection is that it be dug up and repaired. Cracked

and broken tile cannot be repaired by grouting. Your engineer will have to determine if the cracked or broken pipe is serious enough to replace."

No grouting is done on cracked tiles, the board members were told.

Trustee Chester Ebert, head of the sewer and water committee, said the board has to get tough with builders and plumbers and make certain house connections with the mains are made without damage to the system. Tap-ons must be made by licensed contractors, it was pointed out, and must be inspected by village inspectors before the work is covered up.

Girl Scout day camp closes registration

MOKENA — Trikenia Neighborhood Girl Scouts Day Camp, which will be held at Van Horne Woods, Mokena, June 19-23, has closed registrations for the 1972 period.

No more girls will be accepted. "We have 149 Girl Scouts registered for camp with 28 adults to work with them as counselors in 8 units," Mrs. Lee Gericke, Neighborhood chairman, reports.

There will be a nursery with 33 children and a boys unit with 13 boys. This unit will be presided over by Bob Yan-chick, cubmaster of Mokena, and some of his men.

Busen will be provided for campers and training will be provided for adults during May.

Day camp runs from 9 to 3:30 each day for five days. Directors this year are Mrs. Gericke and Mrs. Wayne Sulkowski.

Many leaders and interested mothers from Trikenia Girl Scout Neighborhood spent the day at Camp Pokonoka, April 20, near Ottawa. They cooked their own food, had a Nature walk and were shown the new buildings that Scout "cookies" built.

On May 10 the annual potluck luncheon will be held at St. John's United Church of Christ in Mokena. All registered adults and interested mothers are invited to attend. This will be the last meeting of Girl Scout adults for the spring. Those interested in working with Girl Scouts are to contact Mrs. Lee Gericke, 815-469-5311 any time during the summer.

In The News

MOKENA — Brightwood subdivision, which annexed to the village last year to get sewer service, is expected to have it by November or December, it was estimated by Village Engineer George Barber. The hook-up will be with the sewage treatment plant north of the village.

At the beginning it was planned to have the Brightwood sewers linked with the sewage treatment plant that was scheduled to be built in conjunction with the Owens Land Trust planned unit development. There has been no start made on construction of this development, however, and while plans for the treatment plant have been completed and sent to Springfield the developers have made no move toward its building, as far as village officials know.

Mayor Will Tuttle reported to the village board at its recent meeting that Village Attorney George E. Sangmeister has recommended that Brightwood be connected to the sewer system now in service.

A motion by Trustee Chester Ebert, who is in charge of the sewer committee, was adopted, directing the village engineer and attorney to proceed with the sewer and water line installations as soon as the necessary paper work is completed.

The mayor said he believed the work could be completed this week.

FRANKFORT — Kindergarten registration for all children who will be 5 years of age on or before Dec. 1, will take place on Friday, May 5.

The registration will be held in the upper level of the Chelsea Elementary School, Colorado and Willow streets. The time is 1:15 to 3 p.m.

During the registration, information and materials pertinent to the child's entrance into school, will be distributed. Parents also are invited to visit the kindergarten classrooms upon completion of the registration procedures.

If it is not possible to register on May 5, parents are asked to contact the school so other arrangements can be made.

A legal document, verifying the child's birth, must be presented during the registration.

FRANKFORT — Registration for preschool vision and hearing tests will be held on Friday, May 12, in the Frankfort School Library. The registration will be from 1:15 to 3:15 p.m.

The testing will take place on June 1 and June 2 in the Frankfort School Library. This program is sponsored by the Frankfort PTA.

On Second Thought

Busy and persistent

By Glenn Logan

As far as beavers are concerned Will County has something that Cook County lacks. According to a recent survey by the state conservation department there are no beavers in South Cook but Will County has enough of the animals that trapping is permitted, from about the second week in December to the last of February.

Why beavers prefer Will to South Cook County is not attributable to the difference in taxes, according to those who have made a study of the subject. Beavers, of course, build lodges, or houses and according to recent press releases taxes will be running high in the Cook County suburban areas this year. But, shucks, taxes will be running high all through Will County too, according to the number of complaints filed to date with the board of review on assessed valuations.

All indications are that a beaver would have just as big a tax bill in Will County this year as he would in Cook. John Piazza, area wildlife biologist with the State Department of Conservation, with headquarters at the Des Plaines Wildlife Refuge south of Joliet, says that apparently the beaver doesn't like the water in South Cook, or the kinds of trees growing along such courses, or maybe it is a combination of both.

Anyway, they apparently prefer the Will

County environment.

Someone has said that beavers and the U.S. Corps of Engineers are alike in that they hate the sight of running water, and their missions in life are to dam it.

The engineers, however, confine their efforts to the big streams. They have nothing to do with the small piddling jobs like creeks, branches, or drainage ditches. But everything is grist in the beavers mill. They will even dam culverts if there is no other work to do, although they have to look sharp to find culverts that aren't already pretty well filled with mud and trash.

According to Piazza his department receives complaints about beavers. Some of the complaints are registered by farmers. A dammed creek may overflow on land they have marked for crops or are growing crops. Some people who have homes along water courses complain that trees that have cost them money have been killed or cut down by the chisel tooth animals in their quest for food or dam material.

Beavers subsist almost entirely on the bark of trees and brush, and are quite partial to soft maples, cottonwoods, poplars, willows and box elders. Piazza said he has even found beavers with a taste for oaks.

People spend hundreds of dollars on pesticides built to exterminate box elder bugs, those red creatures that multiply by the thousands in box elder trees and infest houses when they find a crack in a foundation or wall. The beavers who take down box elders surely rate a meritorious conduct badge. Come to think about it those cottonwoods get rather messy, too.

The beavers mania for dam building, it was explained by Piazza, is that in making a pond they conceal the entrance to their lodges. The tops of the lodges are above the water line so there is ample air, for while a beaver can work underwater for 10 or 15 minutes, he must surface to get a fresh supply of breath.

His hind feet are webbed, he has a broad flat tail, and he'll probably run from about 30 to 50 pounds or better in weight. Piazza said the record catch of a beaver is 104 pounds. Just how many kilograms that is, I don't know, but as yet we are not on the metric system, except for nuts and bolts and drug items.

"Working like a beaver" is a figure of speech that has a sound basis, according to those who have observed the animal. They live in colonies, with some lodges having six or eight inhabitants, and when there is a job to be done they all pitch in and do it.

Piazza says he has seen beaver dams blown up or otherwise destroyed and their lodges kicked apart so that the only thing they have left is the pelts they stand in.

But there is no wailing and weeping, no cries or pleas for aid, federal, state or township. The boss beaver just blows his whistle. "Outside, everybody," he orders. When the beavers line up and count off, they are divided into squads, each with a corporal. "Alright, you guys," the boss beaver says, "get with it."

And off they go. The tree cutting squads commence their job, the trimmers that cut off the branches whet their teeth in preparation for their stint, the mud packers begin mixing and the stone rollers and dry stick weavers set to work.

"A primrose by a river's brim," as Wordsworth wrote, strikes a tranquil note, where one may relax and give the back of his hand to care. But if a couple of beaver pop up beside the primrose you can forget the peace and quiet for where beaver are, the action is.

New Lenox sportsmen club to launch Hickory clean up

NEW LENOX — The Sportsmen Club of New Lenox will launch its Hickory Creek clean-up drive Saturday morning at 10 o'clock.

The club members and volunteers will meet at the Hickory Creek bridge on High School Road, east of Lincoln-Way High School. From there the group will

separate into smaller work crews, moving up and down stream.

The club expects to clean the stream from Wolf Road at Mokena to the dam in Pilcher Park in Joliet.

Ed Johnson, president of the club, says work will be carried on from 10 a.m. until 4 p.m.

Award to O.F. volunteer

OAK FOREST — Miss Mary Ellen Sanchez, a volunteer at Oak Forest Hospital, was among five teenage finalists in the junior division of the 1972 Volunteer of the Year award named April 11, at an "Aloha" party in State Street Council offices.

The junior award originated in 1958 in recognition of the increasing number of volunteers under 19 years of age who contribute time, service and talent to the needy, ill and unfortunate.

Mary Ellen, a sophomore at Maria High School, lives at 4924 S. Wolcott Ave., Chicago. She devotes volunteer time to the chronically ill and geriatric patients one day each week as a nurse assistant, mail room aide and recreation aide.

"I wish people would recognize the elderly as real people," she says. "They have two wonderful gifts to share . . . experience and love."

MANS squad reorganizes

After 3 months of successful operation, the Will County Metropolitan Area Narcotics Squad (MANS) has undergone a reorganization.

By order of the Superintendent of the Illinois State Police, troopers from District 5 in Joliet under the command of Capt. Robert Georgantis have been ordered removed from all undercover narcotics work. Their responsibilities will be handled by newly assigned agents of the Illinois Bureau of Investigation (IBI).

Headquarters of the MANS unit has been transferred from the State Police building to offices provided by Sheriff Trizna in the Will County Court House.

It has been learned by the HERALD that the IBI intends to increase its undercover staff by nearly 200 men to combat the growing drug menace in Illinois.

Capt. Georgantis was also ordered to have the offices of AIDS (Against Illicit Drugs in Society) removed from his headquarters as soon as possible.

Prompt and speedy service is promised patrons of the dry cleaning establishment located in the Village Square Shopping complex at Francis and Cedar Roads, New Lenox. The service is owned and operated by Robert Davy, who also has a similar business at Orland Park.

Board acts

Village adopts new building code

WESTHAVEN — The village board Saturday adopted the BOCA building code. At the same time, the trustees repealed the 1965 Suburban Building Code, which had previously been used.

"This is the same code that is used in Chicago, as well as neighboring villages," said Trustee Donald Kellogg. "Tinley Park, Orland Park and Country Club Hills all use the BOCA code with a great deal of success."

The trustees also adopted a code for the installation, alteration and use of electrical equipment. It is the same electrical code that is used in Chicago.

During his report, Village President Curtis Whitaker said, "We're going to have to have closer communication with the general contractor. There are a lot of loose ends in the building department. There's a lot of shoddy building going on. It's created a problem for the citizenry. We've got some unhappy people."

"During the next 90 to 120 days, we should try to get to the bottom of the building problems. Some people think they can come in and run over the village government. No one will come in unless he has the proper permission."

Later in the meeting, Whitaker launched an attack on Village Clerk Charles Short. He accused the clerk of issuing building permits without proper authorization. "The clerk will issue permits on the per-

mission of the building inspector, after it is cleared by the board. There will be no permits issued from the clerk's home," said Whitaker.

"There is a tendency of the general contractor to call the trustees and try to supercede village government. No trustee has the authority to go over the head of the mayor. The contractor will respect our government and our people."

Short was not able to answer Whitaker's charges. Due to business, he had had to leave the meeting early.

In other business, Village Treasurer Lloyd Engstrom asked that \$30,000 be taken from the corporate fund and be used to buy short term bonds. Engstrom said that would be enough money left over in the fund that the village could afford the investment. The request will be considered at the next board committee meeting.

Kellogg urged village residents to write their state senator in support of a bill now before that body. The bill would prevent utility companies from "charging double" in the initial cost to the residents and then the cost when they sell out to the village.

"Private utility companies are merely receiving companies," said Kellogg. "The builder provides the materials. He then tacks the utility cost onto the price of the property."

"When the town wants to buy the util-

ity company, the firm again charges the people, this time at the current value of the property."

Trustee Meredith Macki announced that Mike Gracyzk, village policeman, has recovered sufficiently from a concussion received in the Melrose Fireworks blast and is able to return to duty.

Whitaker said that Gracyzk should not be allowed to resume his duties until a full investigation is made of charges made against him by some village residents.

"But we need the protection now," said Mrs. Macki.

"Whitaker said that ads should be placed for 'auxiliary policemen' who have been fully trained and would serve on a volunteer basis. 'No charge would be hard to beat,' he said.

Mrs. Macki said that \$1113 had been received from the insurance company after the recent robbery of the village hall.

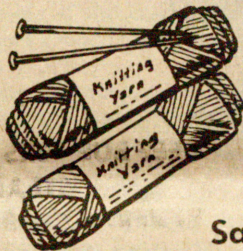

She asked that the board consider using the money to replace the typewriter and copier which were stolen in the robbery.

The board approved John Curtin, 16181 Haven ave., as village plumbing inspector. He will be paid \$5 for each unit inspected.

The board approved a motion directing the village attorney to draw up the necessary papers for a village census. Kellogg said that a census should be taken during the summer. He said that the cost of the survey would be about two cents per person counted and that this small cost would be greatly returned in additional funds from state and motor fuel tax.

The board approved warrants for back pay to Whitaker and former village trustees. The pay covers a four year period up until 1969. The warrants come to a total of \$5,490.

WILLIAM E. FRANKENBERGER

Funeral services for William E. Frank- enberger, 43, 16141 Debra Drive, Oak For- est, will be held Wednesday, April 19, 10 a.m., from Hirsch Memorial Chapel, Tin- ley Park.

Mr. Frankenger died Sunday April 16 at Loyola University Hospital. He had been hospitalized since the Haag Labora- tories explosion in Dixmoor.

Mr. Frankenger was born December 25, 1928 in Bloomington, Illinois, and lived in Oak Forest for the last five years. He lived in the area since 1945.

The services will be conducted by the Reverend Tom Schulte, Faith Baptist Church, Posen, and interment will be at the Lithuanian National Cemetery.

He was a member of the Guild W. Bar- nard Lodge No. 908 A.F. and A.M., Chi- cago, and VFW Post 2580, Midlothian. Masonic services will be held Tuesday, 8 p.m. at the chapel.

Mr. Frankenger is survived by his wife, Doris, a daughter, Susan and three sons, Edward, William, Jr., and Douglas.

He is also survived by his mother, Mrs. Grace Frankenger, Chicago; two sis- ters, Donaldia Diaz, Carpentersville, and Jean Fox, Bloomington; and three brothers, Russell, Chicago, and Howard and John, Dolton.

MATHILDA BURG

Funeral services for Mathilda Burg, 86, of 6607 W. 174th Pl., Tinley Park, will be held at 1:30 p.m. Wednesday, April 19, from the Hirsch Memorial Chapel, 183rd Street and Harlem Avenue, Tinley Park. The Rev. Henry F. Meyer, retired pastor of St. John Ev. Lutheran Church, Country Club Hills, will officiate and interment will be in Zion Lutheran Cemetery.

Mrs. Burg, a resident of this area for the past 50 years, died Sunday, April 16, after a long illness at Oak Forest Hos- pital. She was born Feb. 24, 1886 in Malmo, Sweden.

She is survived by a brother, Arthur Wallin, Chicago.

JOHN A. MALECKY SR.

Funeral services for John A. Malecky Sr., 64, of 15921 S. Lockwood Ave., Oak Forest, were held Saturday, April 15, from the McKenzie Funeral Home, to St. Damian Church. Interment was in St. Casimir Cemetery.

Mr. Malecky, who was a resident of the area for many years, died April 11 at his home. A general traffic manager for Cuneo Press, he was born May 2, 1907 in Omaha, Neb.

He is survived by his children, Elaine (Roy) Hensley, John Jr. (Marilyn), Joseph (Anita), James (Carolyn), and Bonnie (James) O'Boyle, 11 grandchildren, and a brother-in-law, Anthony Balas.

ALVA E. MAYFIELD

Funeral services for Alva E. May- field, 76, 138 E. Fourth Ave., New Lenox, were held Thursday, April 13 from Overman Chapel, Plainfield. Rev. George A. Hanson officiated. Interment in Woodlawn Cemetery.

Mr. Mayfield died at Silver Cross Hospital, Joliet. He was born Feb. 3, 1896 in Southside, Tenn.

He is survived by his wife, Sally; four daughters, Mrs. Grady Proctor, Joliet, Mrs. Harry Yarbrough, Plain- field, Mrs. Frank Yarbrough, New Lenox and Mrs. Rudell Herrington, Jo- liet; five sons, Clyde and Homer, Joliet, Billy, Lockport, Alva Jr., South Chica- go Heights and Robert, Joliet; one brother, John, Southside, Tenn.; 41 grandchildren and 40 great-grandchil- dren.

DENNIS DAVID WAGNER

Funeral services for Dennis David Wagner, one and a half years old; son of Mr. and Mrs. Dennis Wagner, 15656 S. Central Ave., Oak Forest, were held Tues- day, April 11, from the Hirsch Memorial Chapel. The Rev. Carl Beuschlein officiat- ed and interment was in Trinity Lutheran Cemetery.

The child died suddenly Sunday, April

9, at Oak Forest Hospital. He was born Sept. 3, 1970.

Besides his parents the child is survived

by his grandparents, Mr. and Mrs. Edward Holz and Mr. and Mrs. Herman Wagner, all of Tinley Park.

A THOUGHT TO REMEMBER BY JIM HIRSCH

"I'll do it some time" - generally means a good intention. It often means a hoped for anticipation some day to have "free time." Days, months, and even years slip by. That "some time" never comes.

Why? Is not the answer perhaps due to the fact that one day is very much like an- other day? And especially for those who live their lives as though life goes on forever? Some people some times find time to "kill time." Rarely, if ever, do they realize when they kill time, they kill a part of their life time.

Time can fly quickly. It can also hang heavily. Can any one dispute time flies quick- ly for those who get things done? When one seems unable to get things done, should not a self examination be in order? It is a sad realization when we know we have not done what we should have done - WHEN we should have done it. As long as we are here on earth, time means life itself. God gave us life to use. We should not abuse it by wasting it.

Children enjoy Peppermint last

By Jean Wille

ORLAND PARK — About four weeks ago, my friends, Marge and Bill McEvers, Canine Patrol, Orland Park, called and said that their pet pig, Peppermint, was getting a little too big to be properly classified as a play-object for their children.

The Canine Patrol is employed by several villages as dog warden. They also pick up other stray animals on call. Being the parents of four children and great animal lovers themselves, the McEvers often keep unusual animals that are not claimed by owners. Hence, Peppermint—a full grown pig with a built-in fog horn and several amplifiers.

The McEvers had decided to give the pig away to a children's institution for consumption.

Marge had been in contact with their veterinarian, C. W. Ingmire, D.V.M., Joliet, and Bill and George Rodoski, Kinsman Food Lockers, who had agreed to inspect and slaughter the pig.

My "good friends" happily said that the rest of the story was up to me, so I then began the task of locating a suit-

able spot to prove Peppermint's palatability.

Marge had suggested some particular Indian group, however, the closest Indian Center catered more to job applications. This did not seem exactly like the spot for a pig that weighed over 300 pounds as the meat would have to be stored and picked up at weekly intervals. They also did not have anyone available to butcher the animal and McEvers seemed to favor a group that could use the meat immediately.

After several more phone calls, I contacted Paul Leland, public relations for the Oak Forest Hospital and Tinley Park Mental Health Center.

Paul made a couple of quick phone calls and suddenly we had a receiver for Peppermint—the children's ward at the Mental Health Center.

Dr. Ingmire said he would drive to McEvers to inspect the pig and Bill Rodoski agreed to drive up from Kinsman with a pick-up truck to take the live animal back south to Kinsman for slaughter. It would then be up to the HERALD to make arrangements for the delivery of the slaughtered animal to the health center, and of course, take

the necessary pictures of the McEvers waving goodbye to their pet pig.

When the arranged day arrived for concerned parties to meet at the pigpen I eagerly arrived with my camera and took six action-packed pictures of Peppermint being noisily loaded onto Rodoski's truck. None of the pictures turned out. Some stupid thing-a-majig on the camera was broken. However, I will never need a picture to remind me of five-year-old Pamela McEvers standing quietly with a tiny tear in the corner of her eye as she silently bid her pet goodbye.

Bill and Marge did not seem quite as upset. Feeding a full grown pig twice a day can be expensive as well as hazardous. Peppermint not only ate well—but, anxiously.

As Peppermint's passage to anonymity began I realized that I still had to make some arrangements for his transportation from Kinsman to Tinley Park.

After dwelling on the subject for what seemed an eternity in a reporter's life (two minutes) I called our publisher, Jerry Piper. Further phone

calls resulted in the discovery that Hank Dyer, Paddock-Crescent display representative, could pick the pig up, thereby assisting the editorial department in a rare case of intra-departmental teamwork.

After the slaughtered pig had "cooled" for two days, Hank transported the end product to Paddock-Crescent's plant in Downers Grove. The lardy-lamentable leavings were transferred to Jerry's car to begin the last trip on hot wheels for a final destination on hot coals.

One final stop was made at our local news office so that I could pay my respects.

Peppermint was not exactly a lovely sight when I last saw him in the pig pen but it certainly was preferable to the beady-eyed, skinned slab of sow laying in my boss' station wagon.

Ten minutes later, Sam Hayes, meat cutter at the mental health center, accepted 295 pounds of top grade pork.

The dietary staff is planning a Hawaiian luau for the children's ward as soon as the weather permits an outing.

Aloha, Peppermint.
'Allo, Polynesian Pork.

'Micro plants' garden subject

OAK FOREST — A program titled, "Micro Plants," was presented by Ken Burkett at the April meeting of the Oak Forest Garden Club.

The meeting was brought to order by newly elected president Mrs. Lill Wittke. Mrs. Henrietta Kalenowski was welcomed into the club as a new member. Guests included Mrs. Barbara Bensama and Mrs. Adriane Griffin.

Mrs. Barbara Burkett, newly elected Ways and Means chairman, presented each member with a program book.

In other business, club members voted to participate in the ecology display to be held May 5-6 at the Evergreen Plaza.

Mrs. Wittke was hostess for the evening and Mrs. Caryl Gallagher, co-hostess.

The May meeting will feature a program titled "Landscaping Our Yards."

Volunteers

Service Director Glenda Carlson congratulates Oak Forest Hospital volunteers Barb Saggan, Tinley Park, Helen Heltman, Midlothian, Carmen Reichenberger, Tinley Park, and Pat Kropac, Midlothian.

Cancer campaigner

OAK FOREST — Mrs. Kay Bragg has been named Markham town chairman of the American Cancer Society's 1972 educational and fund-raising crusade. Mrs. Bragg is assistant-cashier and corporate secretary at the Tri-State Bank, Markham.

"Our theme is, 'We want to wipe out cancer in your lifetime,'" said Mrs. Bragg. Similar crusades will be running in other South Suburban area towns during the month of April.

PTA studies plans

TINLEY PARK — The PTA for School District 146 will have a special meeting Wednesday, April 19, 8 p.m. for the purpose of discussing individual PTA organizations for the various schools.

The meeting will be held at Central Junior High School, 173rd Place and 67th Court.

Moraine receives president portrait

PALOS HILLS — A portrait painting of Dr. Robert E. Turner, president of Moraine Valley Community College, was presented to the college's Board of Trustees on March 27.

The painting was commissioned by the Glacier Gals, a group of women staff members and wives of staff members.

Members of the portrait committee were Mrs. Vincent Guarna of Orland Park, Mrs. Robert E. Turner of Palos Park, Mrs. Orval A. Larson of Evergreen Park and Mrs. Henry Allan of Chicago.

The portrait was painted by Mrs. Jean Dunsforth of Evergreen Park, a former Moraine Valley continuing education student.

Sports fashions extension topic

ORLAND PARK — The Orland Homemakers Extension will meet at 7:30 p.m. Friday, April 21, at the home of Doris Steinberg. The lesson titled, "Slacks, Shorts and Hostess Skirts," will be presented by extension advisor Dorothy Landgraf.

Future activities including a Town and Country Art show to be held at Colby's, Oak Brook, Tuesday, April 25, will be discussed at the meeting. Other activities in-

clude an amateur creative art show to be held May 4 in LaGrange and a membership tea to be held May 23 also in LaGrange.

New members, prospective members, and members from the 4-H Club, Alpine Girls, and their mothers will be welcomed at the meeting.

Further information about the Homemakers may be obtained by calling 348-3112 or 349-2395.

Extension selects 4-H leader

TINLEY PARK — Mrs. Sharon Kay Scherer has been appointed by the University of Illinois to its cooperative extension service in south suburban Cook County. She will direct south Cook County 4-H activities and help with home-maker activities.

A 1971 honors graduate of the University of Illinois, Mrs. Scherer majored in home economics. She moved to Cook County after her marriage in February to Ron Scherer, an advertising executive for the Chicago agency Inter/Agri-culture.

Prior to her marriage, Mrs. Scherer was employed as acting extension adviser home economics in Bond County, Ill.

In addition to nine years of 4-H Club work, she became more familiar with the 4-H Club program from three years summer experience as Jersey County 4-H Youth Assistant.

Black tie affair to aid hospital

PALOS HEIGHTS — Mrs. Robert Ready, Palos Park, chairman of the Palos Community Hospital's fourth annual benefit ball, and her committee will welcome guests to a gala evening in an exciting year for the new hospital. The black tie ball will be held Saturday, April 22, in the Guidehall, Hotel Ambassador, 1300 N. State Parkway, with cocktails at 6:30 p.m. and dinner at 8 p.m.

A nostalgic return to the "Fabulous Forties" will be the theme for the evening with music by Leo Henning and the Lou Breese Orchestra.

One of the highlights of the evening will be the awarding of a portrait in oils of the winner by Mary Margaret Fleming, a local artist. Also to be awarded is a 23-inch color console television and luggage.

Tickets for the prizes may be purchased at the hospital and during the ball. Mrs. Fredric Muntwyler, Palos Park, is chairman.

Assisting Mrs. Ready with the plans for the ball are: Mrs. Thomas Finucane, Mrs. George Paetow, both from Palos Park; Mrs. Patrick Toomey, Mrs. Carl Gambotz and Mrs. Charles Doherty, all from Palos Heights; and Mrs. Matthew Lamb, Oak Lawn. Mrs. Robert Bodwin, Palos Heights, is president of the auxiliary.

Bridge women invite guest to join them

Spring finally seemed to arrive last week, complete with buds on the trees and those famous April showers. Even this table in Yankee Woods was struck by spring fever; it did a balancing act in anticipation of warm weather and a summertime full of happy picnickers.

Girl Scout summer camp registration set

SOUTHWEST — On May 1, registered Girl Scouts from 9 to 17 years old in the South Cook County Council will begin registering for summer sessions at Camp Manistee in the Manistee National Forest, Michigan.

Approximately 900 Scouts will attend throughout the summer, from June 19 to the closing day on Aug. 12, during four two-week sessions.

A special feature of the camping program this year will be a wider choice of special-interest units and sessions from which the girls can choose. Older scouts, or those who have gone to established camp for several years, and had basically the same activities each time, now will have an opportunity to focus on a particular interest or skill.

For example, Girl Scouts who will have completed sixth grade, and who are interested in the various means of creative expression will be able to sign up for the arts and dramatics session in the discoverer units. The same age group, but with canoeing ability and a Red Cross Intermediate Swim Certificate or its equivalent, can register for the canoeing session. The discoverer units, which also will include hike and trip and primitive sessions, have been established as an intermediate step between elementary and more advanced kinds of camping and will give the girls an opportunity to progress in skills each summer.

For senior scouts, and cadettes who will have completed eighth grade, there is a choice of four sessions in the wayfarer units. In the primitive session the girls will pitch their own encampment, create their own equipment, and prepare their own meals.

Scouts in the backpack session will carry their own equipment and supplies while camping in the woods of the Manistee National Forest. Those willing to challenge

their endurance even farther can register for canoeing, for a five-day river canoe trip, or the bicycle session which will take them on a 10-day cycling trip from Traverse City to Montague.

Parents, and girls planning to attend Camp Manistee for the first time, are invited to visit the camp on Saturday, June 17, from 1 to 3 p.m.

Visitors day is scheduled before the camp is in session in order to give everyone a leisurely opportunity to tour the grounds and meet with the full staff. The staff, including several unit counselors from abroad, will be at the camp for a week before it opens for pre-camp orientation.

The fee for each two-week session is \$55.00 for South Cook County Girl Scouts. Registration forms are included in the Camp Manistee brochure distributed at Girl Scout Neighborhood Association meetings. Information and additional camp brochures are available from the Council Office in Harvey (telephone 331-5556).

Sunday open house

Montessori schools present curriculum

SOUTHWEST — Two local Montessori Schools will conduct open house Sunday, April 23, in conjunction with the celebration of Illinois Montessori Day.

The Montessori School of Palos-Worth, 7100 W. 112th St., Worth will conduct its open house from 1-3:30 p.m. The school has been in this area for five and one half years and offers a pre-school program dedicated to creative development of the students intellect and imagination.

The curriculum offers a program of reading readiness, phonics, audio-visual material, a foreign language program, science, gym, music, and geography.

Applications for September will be accepted and further information may be obtained by calling 448-5530.

Southwest Suburban Montessori

School, located in the facilities of the Episcopal Church of Transfiguration, 123rd and 86th Avenue, Palos Park, will be open to the public from 2-5 p.m. Slides of children at work in the classroom will be shown and all materials will be displayed. Board members and directresses will be present to explain the school's program and answer questions from visitors.

Southwest Suburban Montessori School, a not-for profit, non-sectarian, pre-school and kindergarten, serves the Palos and surrounding communities.

The school offers a morning and afternoon session and a Saturday morning toddler program.

An appointment can be made to observe a Montessori class in session by calling the school registrar, 349-6555.

Springs the thing in art

PALOS PARK — "Spring In the Woods," is the title for the upcoming arts and crafts show to be held in the Palos Park Village Hall, 8901 W. 123rd St., from 10 a.m. to 5 p.m. Sunday, April 23.

Local area artists who will be exhibiting are: Amy Doherty, Rosemary Gallagher and Marilee Kunes, all of Palos Heights; Isabel Halverson and Nancy Whitten, both of Palos Hills;

Colette Dale, Elizabeth Durkee and Judith Poremba, all of Worth; Harriette Grynevich, Anne Herbach and Amy Smith, all of Palos Park; Stanley Jesusunas, Evergreen Park; and Jan Chamberlain, Diana Froling and Mildred Statemen of Oak Lawn.

The public has been invited to attend and there is no admission charge. There will be 45 artists and craftsmen exhibiting.

Kids can tell paper why their mom is so special

Our young readers will have the opportunity to honor their mothers by telling us why their mom is special to them. Your mom may also win a Mother's Day bouquet, compliments of the Paddock Crescent Newspapers.

You may write us a letter and our editorial department will select the best letter from each Crescent newspaper's circulation area in two age categories. The newspapers participating include Lemont Herald, Lockport Herald, Bolingbrook/Romeo-ville Herald, Herald of Frankfort, Mokena, New Lenox, Tinley Park Herald, Oak Forest Herald, Orland Park Herald and the Park Forest Reporter.

The contest is open to all age groups. One category will be for ages

up to 12 while the second category will be for ages 12 and over.

Crescent Newspapers will publish the winning letters in a special Mother's Day issue Wednesday, May 10. The letters should not only tell why your mom is special to you on Mother's Day but why she is something special throughout the year.

Deadline for entering the letter writing contest will be midnight Friday, May 5. The letterwriter's name, address, age and phone number as well as your mother's name and address must be included.

Entries are to be mailed to Crescent Newspapers, 16752 Oak Park Ave., Tinley Park, Ill. 60477, or taken to any of the offices of Crescent Newspapers.

Library offers every bloomin' thing for kids

ORLAND PARK — As the weather turns warmer and heavy winter coats and boots are discarded, our thoughts turn to buds on trees and flowers bursting from the ground.

Green Is for Growing with its colorful sketches and lilted rhymes discusses all the phases of approaching spring. The chipmunk's search for food, the sight of clover in the fields, the buzzing of bees in search of pollen are all contained in this delightful book by Winifred and Cecil Lubell.

Trees and Their Story by Dorothy Sterling identifies the common trees and gives a detailed study of their structure, growth and flowering. The book is divided into the seasonal activities of trees. It then goes on to cover the various types of trees, where they grow, what they look like and the various products derived from them.

Ross E. Hutchins has written three books This Is a Tree, This Is a Flower, This Is a Leaf, which concentrate on a specific area. Each of these volumes gives more detailed information on its subject and uses many excellent photographs to illustrate the written material.

But let us not forget the plant that is with us always — the weed. Barbara Beck in The First Book of Weeds covers the topic completely. The origin of weeds, the uses of weeds, the various families and of weeds and where they grow are all treated in this title.

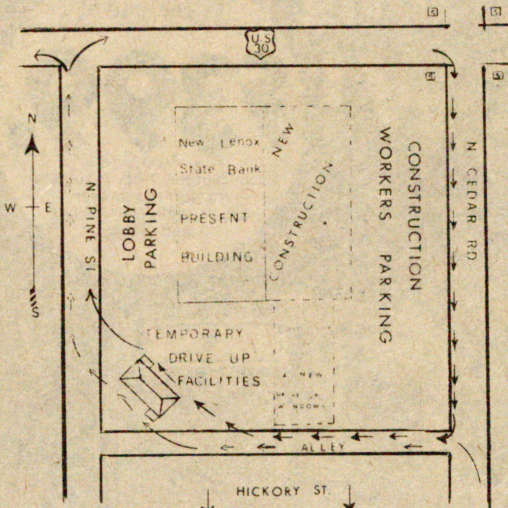

These volumes are all available in the Children's Room of the Orland Park Public Library. More advanced materials can be found in the adult sections of the library.

What's Growing on? NEW LENOX STATE BANK

We are sorry to inconvenience you.

PLEASE BE PATIENT

It won't be forever

Dear Customer:

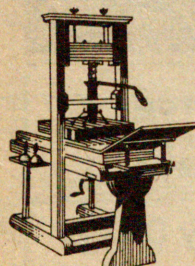

Very soon we will begin a building program for the New Lenox State Bank. A 60' x 80' building will be added to the east of our present building. The addition will include four modern drive-up windows on the south. The architectural design is by Mays Williams. The construction will be done by Wil-Fred of Naperville.

The new addition will help us serve you more efficiently in all your banking needs. HOWEVER, during construction both you, our valued customer, and we will face problems and inconveniences. Construction will close our drive-up windows. In order to give you at least a limited drive-up service, we will have a temporary facility with two drive-up windows placed at the southwest corner of our property. We can't foresee ALL the problems, the construction and temporary facility will cause. At present we know of three. They are:

1. The traffic pattern on Pine Street and the alley will create a nuisance to you and also to the neighboring residents.
2. Because there will be no more parking east of the building, parking in the west lot will be at a premium.
3. Services in the temporary facility will be limited, and the drive-up teller may ask you to use the main building for more complete banking services.

We sincerely appreciate the business you have given us in the past year necessitating the construction of this addition. We regret the inconvenience we will cause you for the next few months. We anxiously await the day we open the door to our new facility and greet you with unexcelled service.

Appreciative of your patience,

Ken Carlson, 6901 W. 167th St., communications maintenance man at Illinois Bell Telephone Company office, Tinley Park.

Phone not working? Maybe it's the squirrel's dinner hour

Americans have more telephones and use them more often than anyone else in the world.

The United States has 58.34 telephones for every 100 persons. This is surpassed only by Monaco with 64.98 phones per person. In Tinley Park, almost 95 out of every 100 homes has a phone.

Washington, D.C., has 116.9 phones for every 100 persons.

Recent statistics by Illinois Bell Telephone revealed that there were 779 local and long distance calls for each man, woman and child in the United States in 1970.

Many homes now have two or three phones and additional lines. Requests for phone services are increasing constantly.

The Illinois Commerce Commission has recently ruled that "free" public phone service should be available for emergency use. This will soon be available in our area.

The Tinley Park office, according to officials will be able to handle the area for about three more years. When the office was built, 1962, it was anticipated that it would accommodate the area until about 1977, however, due to increased building in subdivisions, constant surveillance must be kept on use of present equipment and estimates made regarding needs for future equipment.

Tinley Park presently has one telephone exchange (532). This exchange has about 7,250 numbers being used. When an individual has his phone disconnected that number is not given out for a period of time in order to allow for the new listing in the phone book.

The 687 exchange has 6,007 subscribers.

Each exchange is capable of 9,999 various digital arrangements. Within the next year, Tinley will have an additional exchange — 429.

An indication of the growth in the area related to telephone service can be seen by reviewing "billable" calls during peak days.

During the railroad strike, Dec. 10, 1970, there were 22,808 toll calls from the area. The California earthquake, Feb. 9, 1971, had 25,398; Melrose fire-works explosion, 31,574; and our last "spring snow" on March 13, 1972, prompted Tinley Parkers to make 32,524 toll calls.

In November, 1971, a high toll call count for the day amounted to 29,000 which, four months later, is an average day's load.

Peak hours in the area are from 9 a.m. - 10:30 a.m., and from 3:30 - 4:30 p.m. Peak days are Monday and Friday.

Western Electric is expected to finish installing new equipment in the next few weeks. The job has taken about seven months and cost amounted to approximately \$243,000. An installation job for new equipment prior to this one took place in 1970.

The phone company installs most of their cable lines underground encased in pressurized tough plastic. The pressure is checked regularly to detect any lowering in pressure which might indicate a break.

Another difficulty stems from excavation diggings of contractors and homeowners. The cables are sunk to a depth of two feet and can easily be cut by someone simply desiring to set a fence post.

However, present difficulties of having the cables cut cannot really compete with past difficulties when cables were encased in metal and kept above ground. For no known reason, squirrels eat the metal and have been known to destroy service to large areas with their gastronomic habits.

VFW girls attend convention

TINLEY PARK — Robinette Walters, president of the Bremen Junior Girls Unit of VFW Auxiliary 2791, attended the 5th annual convention held April 1 in VFW Post 454, Bloomington.

Unit members attending were Ruth Colette, a department Color Bearer, Marcie Schissler, Jeanie Walters, Debbie Wyatt, Liz Simon, Beth Haas, Nancy

Wodziak, Gloria Perry, Jennifer Oehman, and Debbie Schultz.

President Walters also held the office of Department Color Bearer for the past year.

Auxiliary members attending were Mrs. Robert Schissler, Mrs. Lyle Colette, Mrs. Steve Rourke, and Mrs. Robert Walters president of the Bremen Auxiliary 2791.

Robert Walters, advisor for the Sons of VFW 416 of Post 2791 attended both the boys and girls conventions.

Robinette was awarded third place for the Junior Units scrapbook and she also received a charm from the Department because five new members joined the unit during the past year.

Hospital technician wins honor

TINLEY PARK — Herman Herring of Phoenix, Ill. was recently honored by National Police Officers Association for service beyond the call of duty while employed at the Tinley Park Mental Health Center.

In a certificate prepared by the association and Captain Carlis Richards, Chief of Security at TPMHC, Herring was commended for his help in calming a confused patient.

While performing his regular duties

as a Mental Health Technician trainee Herring observed a patient who had become confused and combative while in a hospital area. Herring assisted the regular security officers in calming the patient.

It was Herring's patience, understanding and complete disregard for his own personal safety during an emergency situation that earned his national recognition.

Herring is employed under the Returning Veteran Training Program at TPMHC and is currently enrolled in the Mental Health Technician Training program.

He served three and one half years in the Navy as a gunner on a mine sweeper. He saw action in the Mediterranean and Middle East. He was awarded the Purple Heart in VietNam as a result of injuries received when his gun turret was demolished by enemy fire.

Court decision settles sewer tie-in problems

PALOS PARK — On Tuesday, April 11, W.J. King, president of the South Palos Township Sanitary District, advised that all easement rights have been obtained from Commonwealth Edison.

He also advised that the residents of Palos Park who belong to the sanitary district will have sewer connections as per the decision of the Judge of the Circuit Court. King estimated that the completion date for the sewers will be about June 1, and this includes clean-up and repair of streets and ditches.

Patrick Lucansky, the district lawyer stated that a letter has been received from William H. Busch, manager of Facilities Certification Section of the State of Illinois Environmental Protection Agency, requesting additional forms to be filled out by the district engineer. He further stated that letters are being sent out this week on supplemental assessments including a progress report to all homeowners in the district.

Walter Wilson, district engineer reported 85 percent completion of sanitary sewers, and that only temporary repairs are being made to roads and ditches due to the wet weather.

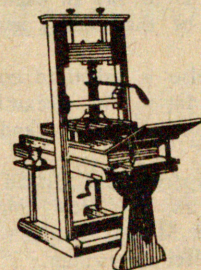

Bob Price, trustee, reported that on Friday, April 14, a meeting was scheduled to be held with Township Road Commissioner Elmer Haas, Township Lawyer Jerry Pech, Sanitary District Lawyer Arthur Thorpe, and Sanitary District Trustee Bob Price, to resolve any differences in repairs to road and ditches.

Ernest Lovgren, trustee, reported that a sewer connection ordinance has been drawn up, and presented to the district engineer for approval.

The board of trustees instructed their lawyer to contact Forrest Neil, chief

engineer of the Metropolitan Sanitary District, for a completion date on the interceptor line under the sag canal.

The next meeting of the South Palos Township Sanitary District is scheduled for Tuesday, May 9, at 8 p.m. at 8300 Paloma Drive, (north of 135th Street) Palos Township.

Lions to host Michigan show at Lincoln-Way

MOKENA — The Mokena Lions Club will bring their program of "Travel and Adventures," a series of illustrated talks, to a close this Friday night, April 21, with the appearance of Robert Brouwer, whose presentation of "America — Of Thee I Sing," so delighted the Lions last year.

The program will begin at 8 p.m. in the Lincoln-Way High School auditorium.

Brouwer is a resident of Grand Rapids, Mich., and his pictures and talk this week will center on Michigan. His electrical training and experience have been valuable in planning and designing much of the equipment he uses.

He uses three screens, four projectors, quality stereo music and sounds, and with controlled lighting and blending much is added to the drama and artistry of his travelogues.

Admission will be by season ticket or tickets may be purchased at the door. The price for adults is \$1.50, for students \$1. There are special rates for groups of more than 10 persons by arrangements through the Rev. Edgar H. Albers, general chairman. Proceeds from these programs are used for community projects and to aid the blind.

Early history

The outer office of Rittenhouse & Embree Lumber Store on Frankfort's White Street, is decorated with enlarged pictures of early logging scenes in which the company participated. The logs were turned into lumber which went to the firm's yards in Chicago. Robert Dehm (standing) is the firm's Frankfort manager.

Board names John Oster

JOLIET — John Oster, New Lenox, Will County board member-elect from the second District, has been named chairman of a committee to recommend how terms are to be determined by the members and the rules they are to proceed under.

The appointment was made by Roy F. Hassert, chairman of the board of supervisors at the board meeting last Wednesday. Oster was an assistant supervisor on the old board and was elected to the new county board at a special election.

The board of supervisors had endeavored to conduct the board election at the same time the regular county primary was held but the courts ruled it had to be an election by itself, with the result that it cost the county additional funds. When all the counties in the state that were electing one-man-one-vote boards were added together the cost ran more than \$1 million.

In Will County the board of supervisors decided to have a 27-member county board. The county was divided into seven districts with each electing three members. Frankfort, New Lenox and Homer townships make up the second District.

The regular elected term to the county board is four years but it wouldn't be practical to have all the terms expire at the same time. The committee headed by Oster, and including Richard Nieland of Green Garden, and Ted Grabovoy, Joliet, is to recommend a procedure to

follow and have meetings scheduled with State's Attorney Louis Bertani to obtain the legal aid necessary.

It is not difficult to decide who is to hold office two years and who is to have the four-year terms. That can be done by drawing straws of casting lots, either as individuals or by districts. Bertani told the supervisors that he and his assistants, Martin Rudman and Joseph Sayers, have been looking into the legalities and find that one-half of the board is to be elected every two years. One cannot divide 27 in half. It could run 13-14 but Bertani says he believes it could be stretched to 15-12.

The big question is whether the length of terms are to be decided by districts

or on an individual basis. If it were decided to have four districts elect 12 members in 1974 and five districts to elect their 15 members in 1976 it would save the county money, it was pointed out, rather than have individuals draw terms and have an election in each of the districts which is to say in each of the 199 precincts of the county every two years.

The committee also is asked to come up with recommendations for streamlining or combining some of the standing committees.

The board of supervisors is slated to meet again April 28. The new county board is to take over May 1. At that time it will organize and elect a chairman.

St. Mary's has 'new look'

MOKENA — In an era when parochial schools are generally closing their doors, one of them, St. Mary's of Mokena, is offering a new educational program.

Ed Flynn, Lincoln Estates, president of the St. Mary school board, has announced a "new look for the seventies" for this institution. Three new educational programs for the school will be offered in the 1972-73 school year, Flynn said.

They are:

Kindergarten, with emphasis on religious instruction.

Lower grade day school for grades one through five, consisting of traditional self-contained classroom instructional programs.

Upper grade day school for grades six through eight, consisting of departmental instruction.

In addition to the basic subjects taught, St. Mary provides physical education, music and art programs, Flynn added.

Registration for all grades will be Sunday, April 23. The hours for registration will be from 10 a.m. to 1 p.m., at the school.

Prestwick

By Michael J. Flynn
815-469-5617

Notice of the annual meeting of the Prestwick Homeowners Association has been sent to all members. It will be held in the club Monday, May 8, 8 p.m.

The purpose of the meeting is to (1) receive the treasurer's report, (2) elect new directors and officers for 1972, and (3) to consider any other important business.

The Homeowners Association Nominating Committee members, including Ed Kirsch, Don Martin, Jim Condren, Mike Strilich and Barbara Tauber, have reported the following names for the board of directors: William J. Flynn, Donald O'Toole, Arthur Miller, George Luscombe, Donald Olivieri and Ann Olivieri.

Flynn, who had previously consented to be nominated, has notified Chairman Kirsch that he wishes his name withdrawn from nomination.

Officers nominated for 1972 are George Luscombe for president, Donald Olivieri for vice president, Ann Olivieri for treasurer and Agnes Shalgos for secretary.

Nearly 200 persons attended the "Hard Times Party" on April 15 in the club. The Social Committee has another success to their credit from what we hear. The food was great but the music trio needed improvement.

Registration for the testing will be held on Monday, April 24, from 9 a.m. to 3:30 p.m. at Carpenter Street School. The tests are available to only those children registered.

Rabies clinic at Mokena Village Hall, 10940 Front St., Mokena, from 3 to 5 p.m. Saturday, April 22. Cost is \$7. Dog licenses now due, price is \$2.

Bake sale, starting at 9 a.m., will be held Saturday, April 22, at Mokena Sales, sponsored by Women's Circle of St. John's Church.

The Mokena Fire Department Auxiliary met Tuesday, April 11, at the firehouse. Plans for the auxiliary to attend the Community Firemen's Association Auxiliary meeting on May 24 at Orland Park were made. The auxiliary will have a Tupperware party June 1 at 8 p.m. Outside orders will be accepted.

Committee chairmen for the dance were announced by Chairman Carole Craig-mile. They are Kay Shiner, band; Joan Yunker, decorations; Shirley Williams, prizes; Willa Bormet, publicity; Donna Buesschel, refreshments, and Phyllis Rust, tickets.

Last minute details on the spring salad luncheon at the firehouse from 11 a.m. to 1 p.m. Tuesday, April 25, were made. Donations are \$1.50 adults, 50¢ students and pre-school 25¢. Tickets may be purchased from any auxiliary member or at the door.

The Mokena PTA for the month of April is "Reaching Out To New Ideas." The meeting is at 8 p.m. Tuesday, April 25 at Willowcrest School. The 100th anniversary of Arbor Day will be celebrated. Mrs. Sharon Stupp, director of Chelsea School learning center, Frankfort, will give a talk on the center. The Lincoln-Way Madrigals under the direction of Charles Stark will perform. The first grade room mothers will be in charge of the social hour. Babysitting is available for your convenience.

Lincoln Estates

By Frieda Wille
815-469-5277

LINCOLN ESTATES—The Ann Rutledge Parent Teacher Organization held their regular meeting on Monday evening, April 10 at the school. The meeting was presided over by the president, Mrs. Wayne Sulkowski.

Due to the absence of Mrs. Hugh Stipan, there was no reading of the minutes. The treasurer's report was given. The first aid equipment that the PTO purchased for the office has arrived and was there for everyone to see.

Gene Banaszak talked about the softball teams that are being formed. The teams will be organized but play will not begin until school is out for the summer. The nominating committee presented the slate of names to be elected and they were elected.

The new officers for the coming year are Mrs. Don Johnston, president; vice president, Gene Banaszak; secretary, Mrs. Richard Paulsen; and the treasurer Mrs. Tom Heimlich. The room count was won by the fourth grade. Some of the girls from the Junior Girl Scout Troop 378 did the Virginia Reel. Eddie Fields did the calling.

Aldo Fanti, superintendent of the Summit Hills School District 161, was there to discuss the referendum that is to be presented to the voters. The election will be held at both schools, Arbory Hills and Ann Rutledge. Mrs. Harold Price, a school board member, was present also. Refreshments were served by Mrs. Richard Paulsen and Mrs. Robert White.

Registration for children entering kindergarten next fall will be held on Monday, April 24 at both schools. The children from Frankfort Square and Lincoln Estates will register at the Ann Rutledge School.

The child must be five years old on or before Dec. 1. You must bring your child's birth certificate. There will be an orientation period and the motor facilitation program will be demonstrated. The dates for health examination will also be given.

Mrs. Edna Wiegell will be at Seamons Store on Friday, April 21 from 4 - 7 p.m. and on Saturday, April 22 from 2 - 7 p.m. to register new residents to vote. The next board of education meeting will be held on Wednesday evening, April 26 at the Arbory Hills School.

The annual science fair will be held on Thursday, April 27. This is for the fifth and sixth grade pupils. They will set it up during the day and the children can also view it at this time. It will be open for the parents and the public from 7:30 - 9 p.m.

Miss Nugent, fourth grade teacher, had the misfortune of spilling some hot cooking oil on her leg while fixing dinner a few weeks ago. She is doing very nicely but will not be back for a while yet.

Mr. and Mrs. Emereth Boyden attended the 25th anniversary celebration in honor of their daughter and son in law, Mr. and Mrs. C.J. Wroblewski, at their home, Hobart, Ind. The party was given by the Wroblewskis' two daughters, Pam and Gayle. Pam has returned from Paris where she had been going to school for the past eight months.

She is now employed in a bank in New York. Mr. and Mrs. Wroblewski and Pam were dinner guests at the Boyden home on Wednesday evening before Pam left to go back to New York.

St. Anthony's Church, Fr. Fredericks, pastor. Saturday evening masses are held at 5 and 6:45 p.m. Sunday morning masses are at 9, 11 and 12:15 a.m. On Saturday, April 22 the first communion class will receive the Sacrament of Penance. The parish council meets the second Tuesday of every month at 8 p.m.

Marley

By Virginia Sass
815-485-6424

A bake sale, sponsored by the Women's Society of the Marley Community Church, will be held on Saturday, April 22, from 9 to 12 a.m. at the Big Buck Lumber Company at Mokena. Featured will be homemade breads, cakes, pies and cookies. Donations may be left at the church before 10 a.m. on April 22.

Mrs. Charles Elliott returned home on April 8 from a 4,100 mile motor trip to Arizona. She was accompanied by Mrs. Bessie Sievert, Cassopolis, Mich. In Tucson they were guests in the home of Mrs. Elsie Kramer. They also were entertained there in the home of Mr. and Mrs. Clyde Flake, former Parker Road residents. They spent a week in Phoenix and visited the Grand Canyon and Painted Desert.

David Armstrong, Houston, Tex., was a guest on April 15 in the home of his cousins, Mr. and Mrs. Loren Sass.

Mr. and Mrs. Phillip Ingram are the parents of a son born on April 11 at St. Joseph's Hospital. He weighed seven pounds and fifteen ounces and has been named Jason Tyler.

Arbory Hills

By Marie Hovi
(312) 479-5740

ARBORY HILLS—The Arbory Hills Baseball League will have a regular meeting at the Arbory Hills School Wednesday, April 19, beginning at 8 p.m. Baseball season is rapidly approaching, so plan on attending the meeting to help matters along.

If your child is not as yet registered to play, please contact either Jim Hubbard or Dick Hendrickson or Mrs. Sue Thelen.

The Baseball League has two activities planned for the near future. On Friday night, May 5, there is a "Ladies Night Out" at the school for all the women of the area to have an evening of cards and/or bunco. The cost of the evening is \$1 per person and may be paid at the door.

The organization is in need of card tables to use that night. If you have a card table to loan out, please contact Mrs. Sue Thelen by April 29. There is also a need for cakes to serve for refreshments.

The next day, Saturday, May 6, there will be the annual Gas Day at the Ron Leto Clark Service Station. The net proceeds from the Gas Day will go to improve the treasury.

On this Friday, April 21 at 2:30 p.m. the Arbory Hills School will hold its annual Arbor Day Program with the planting of trees donated by the Summit Hill Parent-Teacher Organization.

The April meeting of the PTO was held last week with the election of officers for the coming year. The offices were filled by Mrs. Marilyn Lacey as president, Mrs. Wanda Christian, vice president, Mrs. Beverly Haas, secretary, and Mrs. Flo Marzano, treasurer. They will take office at the May meeting.

At the meeting there was a committee formed to decide on an appropriate gift from the organization to the school for this year. Mrs. Marilyn Lacey, Mrs. Lorraine Thompson, Mrs. June Durbin, Mrs. Vivian Thompson, Mrs. Dawn O'Dell and Mrs. Crouch make up the committee.

Don't forget the annual fun fair, sponsored by the PTO. It will be held at the school on April 28. There is still need for donations of white elephant goods and country store goods, come on and help the cause.

St. Mary School of Mokena on 195th Street, west of Wolf Road, will have registration for the 1972-73 school year this Sunday, April 23, from 8 a.m. until 1 p.m. for all grades. There will be the school board and faculty available to answer any questions and to provide tours to those interested.

In addition to eight grades normally provided by St. Mary, a kindergarten is planned for the coming year.

The Burros Football League will have its Champagne Dance at the "Cow Palace" on 115th Avenue in back of St. Mary Church this Saturday evening, April 22. Tickets are \$2.50 per person and may be obtained at the door.

There will be the April Pack meeting for the Arbory Hills Cub Scouts at the Arbory Hills School Monday evening, April 24, beginning at 7:30. The pack meeting will feature the Cub Scout Olympics, and not only the boys and their parents are invited, but also all other boys of Cub Scout age by October and their parents. This will enable both parents and boys to see some of Cub Scouting in action. Refreshments will be served following the meeting.

St. Mary sports banquet will be held this year at the VFW Hall in Mokena, 14852 Wolf Road, next Wednesday April 26, beginning at 6:30 p.m.

Following the dinner there will be the awarding of school letters and other suitable trophies. All the boys and girls who participated in athletics or cheerleading and their parents are to attend.

The St. Mary Athletic Boosters Club has elected the following officers: Art Sitzberger, president; Chuck Walles, vice president; Mrs. Judy Strilich, secretary; Mrs. Myrna Bolek as treasurer; and Mrs. Linda Golden, concessions chairman.

The Boy Scouts of the Arbory Hills Troop 10 went on a planned hike last week. The trail covered some 10 miles through the Mokena-New Lenox area. This trail not yet completed, is a joint effort of Troop 10 and Troop 270 of Frankfort with the auspices of the Frankfort American Legion. It proved to be difficult, but interesting and feasible. Much more work will be done before it will be open to hiking groups.

Kindergarten registration for the Arbory Hills School will take place next Monday, April 24, at the school. Those eligible to register are children of the school district who will be five by Dec. 1, 1972. Proof must be brought, i.e., a state birth certificate.

Knights find things both hard, and easy

NEW LENOX — Wins came easy and hard for the Lincoln-Way track team last week. The Knights, who usually win with ease had a tough battle before beating Rich Central 65-62.

Friday the Knights rebounded winning 10 events in a triangular meet with Tinley Park and Romeoville. Lincoln-Way scored 82 points, Tinley 41 and Romeoville 36.

The Rich Central meet was the first outing for the Knights, who had had a triangular with Joliet Central and Providence cancelled because of weather conditions.

Terry Ryan provided the key to the Knights victory over Rich. Ryan won the high hurdles in :14.9 and the lows in :21.0, and finished second in the 220.

and the two mile in 9:56.

Lincoln-Way which has been weak in field events in past years won three times in the field. John Phillips tossed the shot 52-8. John Pirko went 6-1 in the high jump and Kim Killman did 18-11 1/2 in the long jump.

Lincoln-Way was beaten in the mile relay for the first time in four years in the Rich meet.

In the triangular the Knights had three double winners.

Mark Maxwell won the pole vault at 12-0, and the long jump at 19-1. Been captured both the mile and two mile with times of 4:35, and 10:05. Kollman won the 100-yard dash in 10.5 and the high jump at 5-4.

Celts roll past three opponents

NEW LENOX — Providence turned back three opponents in baseball action last week as the Celts raised their season mark to 7-1. The Celts won a couple of 6-1 decisions from Lincoln-Way and Luther North and beat Joliet West 4-3.

The win over Luther gives the Celts a 1-0 Private League mark going into last Monday's league game with Chicago Christian. Providence also had a three game winning streak going into the Christian game.

Coach Tom Dedin's team started off the season with three straight wins then lost to Plainfield before coming back with last week's sweep.

The Celts closed last week's action against Luther North as Butch Markelz made it look easy fanning 16 Wildcats enroute to victory.

Markelz now 4-0 for the season allowed only two hits and walked four. He has now struck out 60 batters in four games and allowed only one earned run.

Rick Susner headed the Celts 11 hit attack with a single, double, and triple, driving in one run.

Both Luther hits were infield grounders and the only Wildcat run was unearned. Providence opened the scoring with a pair of runs in the fourth. Dick Tezak started things with a single, moved to second on a sacrifice, third on a balk, and scored on Markelz' triple. Markelz scored on a sacrifice fly by Mickey Ruettinger.

Dick Mandella who also had three hits, opened a four run Providence seventh with a single. Mandella stole second, and scored on an error. Triples by Susner and Rick Baranak added a pair of runs. The final run scored on an infield out.

Earlier in the week the Celts scored three times in the first inning and then held on to beat Joliet. Frank Forsythe started for Providence but had control

problems and had to be lifted after four innings despite holding a 3-0 lead at the time.

Forsythe allowed only one hit, but walked the bases loaded to start the fifth, and was replaced by Joe Dailey. Joliet scored twice in the fifth and added another run in the sixth.

Susner got the Celts off to a fast start in the first with a double that scored Mandella, who had walked to open the game. Susner scored on Ken Carruther's single, and the third run scored on an error.

Fifth inning singles by Susner, Baranak, and Ted Welsh gave Providence the winning run.

Markelz opened the week's action with another great performance against Lincoln-Way. Markelz fanned 14, allowed one hit, and walked no one. The only hit was a fourth inning homer by Dave Webster.

ARBURY HILLS — Steve Bobzin, 17, 110 Ash St., Frankfort, 6'4" center for the Lunkers Unlimited basketball team of Arbury Hills, was chosen as a member of the all-tournament team following the cage tourney last week-end. He is a senior at Lincoln-Way High School.

Bobzin was able to play but one game, his team being eliminated in the first round 67 to 64 by the Joliet Boys Club five, but in that one contest Bobzin scored 32 points and grabbed 17 rebounds. It was this performance that earned him a berth on the all-tourney team.

TINLEY PARK — The Tinley Park golf team opened its season last week, and suffered three setbacks. The Titans lost to Lincoln-Way 175-182, Rich Central, 166-176, and Rich East, 170-176.

The Titans are led by Chuck Faurugia, a junior who has been averaging in the 80's so far this season. Andy Piecuch, Paul Krol and John Schickling, round out the top four for the Titans. Walt Skinner is the coach. Skinner is aiming at a good showing in conference and district meets.

TINLEY PARK — Ed Neal collected half of his teams hits and drove in three runs as Tinley Park lost a baseball battle with Marist 6-5 last week.

Eagles top

Rockets, 5-2

By Dave Lumley

ORLAND PARK — The Eagles of Carl Sandburg High School got off to a flying start in their Southwest Suburban Conference baseball opener last Thursday beating Rich East, 5-2.

Excellent pitching and some timely hitting put the Eagles in the winners circle for the first time this season.

Junior Jeff King went five innings and was credited with the win but needed help from John Carroll and Bill Edwards.

Carroll came on in the sixth inning but was tagged for a run and had two runners on base when Edwards, the third hurler for the afternoon, retired the side and mowed the Rockets down in the seventh inning to pick up the save.

The Eagles got off to a quick start in the first inning when John Miles walked and stole second. Second baseman Crane D'Loughy then doubled home Miles to put the Eagles up 1-0. With one out cleanup hitter Jim Koranda ripped a long drive off the fence to double home D'Loughy and then scored himself when catcher Bill Nicolai lined a single.

Ahead 3-0 going into the third inning the Eagles struck again. Al Barnett, the Eagles leading hitter, reached base on an error and moved to second on Koranda's single. Nicolai forced Koranda but was safe himself on a fielder's choice. With runners on first and third Bill Nelson and Mark Piekarsz followed with RBI singles to give Sandburg all the runs they needed to win.

"The kids played well and I was very happy to see them win," said Coach Ron Mellen. Also, "Our pitching has been excellent so far this spring, our team ERA stands at 1.22 and the defense is starting to play well together, if we can hit consistently we will be alright," Mellen added.

The Eagles are now 1-0 in conference and 1-2 on the year. With all the bad weather here lately, the Eagles, like many other teams in the area will have many make-up games this week. Sandburg plays Lincoln-Way Monday away, Oak Lawn Tuesday, Reavis at home on Wednesday, and travels to Homewood-Flossmoor on Friday. All games start at 4:00 p.m.

Bruins win hockey crown

OAK FOREST — Tension filled the air Friday night as the Bruins met the Canadians in the third and deciding playoff hockey game held at the Morton-Gingerwood School.

Both teams had each won one previous playoff game and Friday was for the Championship and the Gordie Howe Cup. The Cup is a traveling trophy awarded to the winning team of the playoff games at the end of each season.

The players on both teams were awarded trophies. The game was one that saw much fast action as Bruin Ernie McGregor drew first blood with a five-foot wrist shot at 4:54 of the first period.

At 8:48 Bruin Mike Babecki scored the second Bruin goal with a 15-foot wrist shot from an angle. The first period ended with the Bruins leading 2-0.

The second period was a defensive battle by both teams.

With 1:26 gone in the third period Bruin Bill McGregor scored with a one-foot backhand shot as he went by the net. Then at 3:38 Mike Babecki got his second goal with a 20-foot slap shot and at that point it looked as though the Canadians were going to be routed, but at 6:38 Canadian John Morgan scored with a 15-foot slap shot through a crowd of players. Morgan tallied again with a 20-foot lifting slap shot that evaded the glove of the Bruin goalie. Just 26 seconds later Morgan scored the hat trick with a three-foot shot from a breakaway.

At 8:46 Bruin Bill McGregor got his second goal of the night with a five-footer. Although the Canadians tried again and again to tie the game, or go ahead the Bruin defense held and the game, ended with the Bruins winning 5-3.

It was the first full length outing for the Titans. The only other action for the Titans this season was a rain-shortened four inning game against Lemont that was called with Tinley leading 3-2.

Five other games including last week-ends action against Joliet Central and Wilmington have been cancelled.

Against Marist Neal collected a triple and two singles as the Titans got only six hits.

TINLEY PARK — Rich Meier was a triple winner for Tinley Park as the Titans fell 91-26 to a powerful Oak Lawn team in track action last week.

Meier won the high and low hurdles and the 220-yard event. Mike Melow was the teams only other winner with a toss of 47-0 in the shot-put.

Thursday the Titans took second in a triangular meet with Lincoln-Way and Romeoville. Lincoln-Way won the meet easily with 81 points followed by Tinley Park with 41 points and Romeoville with 36.

Meier was a double winner in the meet taking honors in the low hurdles and the 220, and a second in the high hurdles.

The Titan speedster set a school record in the low hurdles for a straight away course with a time of 19.9. Melow won the discus with a toss of 128-0, and Dave Krause won the 440 event in a time of :54.7.

NEW LENOX — After having three matches cancelled due to weather conditions, Providence golfers finally got some action last week and came away with a tie 162-162 against Lockport.

The next day rain washed out a meet

with Chicago Christian, so the Celts go into this week's action with an 0-1-1 record. Bob Dalton shot a 36 for the Celts followed by George Peterson, with a 37, and Rick Doneyk with a 42. Greg Feil had a 47.

OAK FOREST — Wet grounds forced cancellation of Oak Forest baseball action last week as the Bengals had to postpone games with Rich Central and Stagg. Oak Forest has played only one of three scheduled games so far this season. Coach Bob Miller's team goes back into action tomorrow, April 19, against Crete.

JOLIET — Making their season debut, after three weather cancellations, the Providence track team took second in a triangular meet with Joliet East and Rich East.

Hosting Joliet won the meet with 86 points followed by Providence with 41 and Rich with 32.

The Celtics had three winners in the

meet, with one of them, Gary Bontemps, being a double winner. Bontemps won the 100-yard dash in :10.3 and the 220 in :22.5. The only other Celt first came in the high jump where Bob Bravato cleared 5-4.

NEW LENOX — Lincoln-Ways baseball team was still looking for the scoring touch this week. The Knights finally opened the season last week and dropped a pair of games.

Coach Les Coats' crew lost a Southwest Suburban conference game to Reavis 9-0, an a non-league game to Providence 6-1. Against Providence Dave Webster got the team's only hit, a homer in the fourth inning, as 14 Knights struck out.

Against Reavis the Knights collected only two hits and 11 of them fanned, Lincoln-Way also made five errors in the game. The Knights were without the services of Gary Stoneberger in both games. The veteran suffered a cracked wrist while playing basketball.

ORLAND PARK — Sex Minus One clinched first place Saturday in the Palos Lions Bowling league for the second half season. They beat Royal T, 2-1. With just next week's series remaining the 31-11 record of Sex Minus One is more than enough for second place.

Formula Five faces Sex Minus One this Saturday. Formula Five's record stands at 26-16.

Following next Saturday's regular bowling there will be a roll-off between Sex Minus One and The Filthy Five, who won the first half of the season.

Rory Musil led all bowlers last week with a 576 series and a high game of 213. Behind Musil came Dave Altepeter - 555, Jim McEathron - 540, Greg Johnson - 538, Rick Musil - 528, Dennis O'-

Rourke - 513, and Frank Graben with an even 500 series.

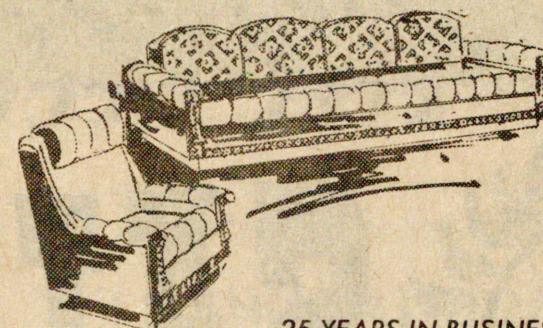

In the Carl Sandburg Bowling league the top two teams pulled a little farther ahead of the pack as they both swept their three-game series. First place Superpros upped their season record to 30-6 with three victories over the last place "Losers." Second place "Mess" lifted its record to 27-9 with three straight wins from the Unpredictables.

Bob Bugel led all bowlers with a 521 series as most of the bowlers were not very sharp last week indicated by the meager total of only three series over 500 pins. Frank Graben came in with a 511 series and Greg Johnson a 506 to round out the top three.

OAK FOREST — Cub Scout Pack 352 will meet at 7:30 p.m. Monday, April 24, at the Laramie School. The meeting will include the pinewood derby.

The Tinley Park High School swimming pool was the site of the Pack swimming party for the boys and their fathers recently.

Awards and advancements held the spotlight at the pack's March 27 meeting. New Bobcats welcomed were Scott Wilson and Bob Zolner, along with Cub Vincent Kruza who transferred to the Pack.

Wolf advancements were made to Mike Sapienza, David Mayer and Paul Koehler. Newly elected to be denners were Jim Keller, Greg Reed and Mark Borto, and to be assistant denners were Tim Rimer, John Tisevich and Greg Milligan.

Robert Schick and Joe Flaherty were awarded arrow points for elective achievement work. Service stars were awarded to Bradley Ryskamp, Don Ahrens and Larry Kluck.

A three year service star was presented to Mrs. Phyllis Kluck, a den mother; and a four year service star was awarded to Mrs. Gerry Estabrook, retiring den leader coach.

Webelos activity badges were also awarded at the meeting. Mike De Francisco, Dwayne Durling, Tom Connolly, Clay Radatz and Lee Messersmith, artist; Mike DeFrancisco, scholar; Lee Messersmith, showman; David Braden and Clay Radatz, engineer; and Clay Radatz, geologist.

Appreciation was expressed to retiring Cubmaster, Bob Reilly. Dan Vaclav, formerly pack committee chairman, will be the new Cubmaster.

TINLEY PARK — Cub Scout Pack 385 will meet at 7:30 p.m. Friday, April 21, at the Faith United Presbyterian Church, 6200 W. 167th St. Boys eight to ten and half years old are eligible to

join the pack and have been asked to bring a parent to the meeting.

At the pack's March meeting Bobcat badges were awarded to Michael Carriel, Joe Carriel, Ray McKay, Don Stelmazek and Billy Westphal.

The Rev. Robert Beeber is the sponsor of the pack. Further information may be obtained by calling Ray McKay, 687-5696 or Bob Westphal, 532-3460.

Police Beat

Fire from gas leak damages two cycles

TINLEY PARK — Theodore Borst, 6100 W. Forestview Dr., Oak Forest, suffered possible broken ribs and other internal injuries after being involved in an accident at 159th Street and Oak Park Avenue.

The accident happened when Richard Kubis, 7839 W. Willowood, Orland Park, was traveling east on 159th Street and allegedly struck the car Borst was driving northbound on Oak Park Avenue. After the collision, Borst's car ran off the road way and the car Kubis was driving spun around facing north in the southbound lane of traffic.

Borst was taken to Ingalls Memorial Hospital by Hickey and Vandenberg Private Ambulance Service.

April 9 — Robert McClure, Tinley Park, caused \$50 damage to a left turn sign, when the car he was driving struck the sign and broke it in half at 175th Street and Harlem Avenue.

April 12 — Returning home from work on the Rock Island Railroad evening train, Donald R. Bocek, 7800 W. 161st Pl., found his car missing. Bocek told police he parked his white Chevy station wagon in the parking lot that morning before boarding the train.

TINLEY PARK FIRE CALLS
April 18 — A report of a grass fire on the north side of the Rock Island Railroad right-of-way at Sandalwood Drive brought units out.

ORLAND PARK POLICE
April 7 — Jerry Capista, Joliet, reported \$125 damage to his car which was parked at 143rd and Union. The other vehicle apparently left the scene.

April 8 — In trying to maneuver a turn on the Bob Miller parking lot Don Smith, 14415 Beacon, backed into a light pole. Damage to the car he was driving was \$300. The accident occurred April 3.

April 10 — Margueritte McNichols, 10147 W. 151st St., struck a car driven by Janice Poole, Palos Park, as the Poole car was turning into the parking lot at the Center School. Total estimated damages were \$525.

April 11 — Conductor of cars on the Norfolk and Western train advised that cars refuse to stop for the railroad crossing signal.

April 11 — A report that a bat was in the bedroom at 14975 West Ave., turned out to be a wasp. Officers killed it.

April 12 — Carl Harris, 5 years old, 10240 S. Huntington Ct., was bitten on the finger by a dog owned by Joan Boye, 14910 Huntington Ct. The dog was impounded and the child treated at a Frankfort clinic.

April 12 — Two cars were involved in two separate accidents in the Orland Plaza. Jack Terry's car, 9243 W. 183rd St., Tinley Park, suffered \$300 damages and a car owned by Patricia Lines, 8818 W. 147th St., incurred \$40 damage. Both cars were struck by unknown cars.

April 12 — Approximately \$75 - \$100
Oak Forest

April 14 — The ignition on a car was punched out while the car was parked at 15240 Cicero.

April 13 — An Oak Forest police car was struck by a hit-and-run car while the police car was parked near 4800 W. 151st St.

April 12 — Police assisted on a house fire at 5417 W. 159th St.

April 11 — A battery was reported taken from a car at 15240 Cicero.
